

## More than just home loans

Finding the perfect home loan for every one of our customers is what gets us out of bed in the morning, but it's not the only thing that makes us tick.

Because we work closely with more than 30 lenders, we've got intimate knowledge of a huge range of loans on offer. So whether you're after a car loan or a business loan, an investment loan or a commercial loan, we can find you competitive rates and the most favourable conditions. We'll also do the leg work to set everything up.

### We make a big deal out of insurance

Many of the lenders we work with offer insurance products too. So if you want to get better value from your insurance, and reduce the amount of time you spend researching all the different options, speak to your Loan Market broker.

Loan Market Concierge will also be able to set you up with FREE home and contents insurance for 30 days or one month's FREE landlord insurance.

SMSF

### Investing in property through your Self Managed Super Fund (SMSF)

More Australians are realising the benefits of managing their own super and in particular, investing in property through their super fund. With a number of lenders now offering products for SMSF leveraged property investments, your Loan Market broker can help you navigate the options available.

Contact your local Loan Market broker today to find out which loan types they can help you with.
